Dear Mr. Flesher,

Once again I am writing to thank you for your extreme generosity to the children of the St. Bernard Parish School System. Your most recent donation of 35 musical instruments, in addition to your many past contributions, has done much to enhance our musical arts program. Your time and effort in personally making this last delivery to Chalmette High School was especially appreciated.

As you know, our school district has continued to move forward since the devastation of Hurricane Katrina. Your kindness and determination to assist us in refurbishing our musical arts program has been a source of inspiration to those who are aware of your effort. Please accept our gratitude for your generosity on behalf of teachers, parents and students of St. Bernard Parish Schools.

Most sincerely,

Doris Voitier
Superintendent
